3 Army Veterans Turn Serial Entrepreneurs

Entrepreneurship plays a vital role in the growth of the U.S. economy. There are almost 28 million small businesses in the US and over 22 million are self-employed with no additional payroll or employees.

The Law of Power Play says, **“Consistently practicing proven habits of experienced and successful men and women can only elevate your business acumen. Why should you re-invent the wheel, when you can simply improve upon it?”** - Dr. Vernet A. Joseph

“How To Get Something Out Of Nothing – 21 Power Plays For Serial Entrepreneurs,” is a practical and applicable roadmap to help every entrepreneur who has had the courage to step out of the crowd and bring their business to the marketplace.

21 Power Plays outlines specific aspects of the entrepreneurial journey that have been time tested and used all around the world. These foundational truths are the tangible essentials every entrepreneur needs, to successfully navigate and dominate the business arena.

21 Power Plays will teach you:

- *Strategies to effective time management*
- *Steps to transformative leadership*
- *Actions to cultivate a winning professional team*
- *Tools for a highly productive business*
- *Tips on how to dominate your industry space*

We understand what it takes; and we want to help you succeed.
